

St George Lions
Proudly sponsors the
Dixie Round-Up Rodeo Parade

Come Join The Parade!

Now is your chance to be a part of a St. George Tradition: The Round-Up Parade! The dates for this year's St. George Lions Dixie Round-Up Rodeo are September 12th, 13th & 14th. The parade will be held on Saturday, September 14th. This year, the annual Children's Parade will be combined with the General Parade to make one bigger and more exciting event for the entire family.

The Children's Division is where you can showcase your child's team or club, church group, school or neighborhood. Or just to show-off your cute grandkids! If its kid related, this is your division! Trophies will be awarded to the top 3 winners and entries are limited. Come earn your bragging rights and join in the fun!

The General Division is a great place to promote your business, show off your old car, blow your horn, strut your stuff or just wave to the crowd as you go by. If you or your group has participated in the past, the Lions thank you and appeal to you to join us again. If considering a first time entry, just do it! It is FREE to have a parade entry! Give us the support we need to make these parades the best ones ever.

The theme of the parade is "The Greatest Sport on Dirt."

Be part of either parade by completing the enclosed entry blank or submit your entry online at the Lions website. Return it as soon as possible as indicated.

If planning to participate please read the entry information and abide by the rules. If unable to take part, please forward this information to someone who may be interested. Thank you in advance for your participation and consideration.

Sincerely,

St. George Lions Club
Parade Committee

PARADE NUMBER AND LINE-UP POSITION: The parade begins at 200 West and Tabernacle Line-up numbers begin at that intersection and continue west on Tabernacle and north and south of Tabernacle on 200 West and 300 West, and south of Tabernacle on 400 West. Line-up numbers are painted in the street and your entry should be taken directly to the numbered position prior to the parade. Do not enter on Tabernacle from the east as this street will be very congested. Members of the Lions Club will be available along the line-up route with the entry number signs to be posted on the entries and with information about the line-up. Since the line-up is not completed until Thursday afternoon, **DO NOT** call for your line-up number until 1:00pm Friday. We will call the Sponsor phone number from your entry form, to give the line-up number. If you have not received a call by Friday at 1:00pm, call us.

PARADE LINE-UP: All entries must be in place, ready to go, no later than 4:15PM. Failure to comply with the time constraints will result in the cancellation of the entry. Entry along the parade route will not be allowed. This rule will be strictly enforced.

BANDS AND MARCHING GROUPS: The parking lot on the corner of Tabernacle and 200 West will be reserved for all bands. Directors: If you choose to warm up your band or group in the shade somewhere, we suggest that you have someone assigned to monitor the parade starting point to be sure you are at the starting point at the correct time. We also suggest that you maintain reliable radio contact with that person. Any band or marching group that is not in formation at the time their entry number comes in parade order will be canceled. Do not force us to remove your band or group from the parade. Please follow the rules.

WALKING GROUPS: All members of walking groups in the General Parade must be 6th grade or older.

AMERICAN FLAGS: Correct flag etiquette suggests that only one American flag be used in a parade. The color guard will carry the American flag at the head of the parade.
